

K-68 Expansion Project

Miami county

Join us at an upcoming
**OPEN
HOUSE**

ADD YOUR VOICE

The Kansas Department of Transportation (KDOT) will host an open house on expansion of K-68 in Miami County. Attendees can come and go to review information and visit with project staff. There will be no formal presentation.

Prefer to participate online? You are invited to leave comments online through September 24. Please visit the project website:

ABOUT THE PROJECT

The project expands K-68 to four lanes between U.S.169 and Spring Valley Road, a distance of 6.68 miles. This project is part of the Eisenhower Legacy Transportation Program for KDOT District 4 (Southeast Kansas). KDOT expects to start construction in early 2025.

Meeting information can be made available in alternative languages and accessible formats upon request. Contact KDOT Communications at 700 SW Harrison St., 2nd Fl West, Topeka, KS 66603-3745. Dial 785-296-3585 for voice. Dial 711 for speech/hearing impaired. Please submit request at least five days before the meeting.
