## ADD YOUR VOICE

The Kansas Department of Transportation (KDOT) is hosting an open house on final design plans for expansion of K-68 in Miami County. Final designs will be presented for public review and comment.

This is a public open house – attendees can come and go to review information and visit with project staff. There will be no formal presentation.

### PREFER TO PARTICIPATE ONLINE?

You are invited to leave comments online through September 24. Please visit the project website: [ike.ksdot.gov/miami-county-k-68-expansion](http://ike.ksdot.gov/miami-county-k-68-expansion)

## PROJECT OVERVIEW

The project expands K-68 to four lanes between US-169 and Spring Valley Road, a distance of 6.68 miles. This project is part of the Eisenhower Legacy Transportation Program (IKE) Projects for KDOT District 4 (Southeast Kansas). Construction is expected to start in early 2025.

The Miami County K-68 Expansion is also related to the K-68 T-WORKS projects, including widening K-68 to a four-lane expressway from U.S. 69 to Spring Valley Road.
