

KDOT's IKE Transportation Program

What is IKE:

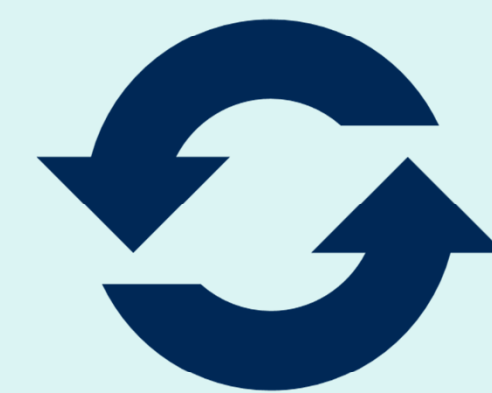

A nearly **\$10 billion investment** in the future of Kansas. This 10-year program and the transportation improvements it will deliver play a key role in making roads safer, supporting economic growth and creating more options and resources for Kansans and their communities.

How to get involved:

Every two years KDOT engages the public through Local Consult listening sessions held across the state. Kansans weigh in on modernization and expansion transportation priorities in each region of the state. The next round of Local Consult will be in 2025.

The IKE Program (2020-2023) has delivered:

PRESERVATION

- \$1.7 billion in preservation projects
- 5,200 roadway miles improved
- 250 bridges improved

HIGHWAY EXPANSION + MODERNIZATION PROJECTS

- \$2.1 billion in Construction Pipeline
- \$723 million constructed or under construction
- 23 projects in Development Pipeline

ECONOMIC DEVELOPMENT

- \$87 million in program investments
- \$5.4 billion in capital investment statewide
- More than 10,000 jobs created

In 2023, KDOT awarded more than \$127 million to fund local projects to Improve Kansas airports, bridges, rail, roadways and broadband infrastructure.
