

# U.S. 54 Expansion from U.S. 83 to Tucker Rd *Seward County*

ENGLISH / INGLÉS

Additional information is also  
available on the project webpage at:  
[ike.ksdot.gov/us-54-expansion-seward-county](http://ike.ksdot.gov/us-54-expansion-seward-county)

## PROJECT OVERVIEW

November 2023

The Kansas Department of Transportation (KDOT) is completing a discovery phase study exploring options to reconstruct and expand U.S. 54 from U.S. 83 (the former Six Points intersection) northeast to Tucker Road. Once complete, the project will tie into the U.S. 54 expansion project currently under construction from Tucker Road to County Road O.

The design team is moving forward with the top two community-preferred options to reconfigure the former Six Points intersection (identified in July of 2023). Additional details including potential impacts and changes to highway access are now available for public input. Multiple factors, including public input, will go into the selection of a preferred option.

The U.S. 54 corridor currently carries approximately 7,000 vehicles daily, including 2,000 trucks. The goal of the discovery phase study is to enhance safety, reduce congestion and support economic growth in the region.

Project information and an opportunity to comment will be available on the project webpage through Nov. 30, 2023:

[ike.ksdot.gov/us-54-expansion-seward-county](http://ike.ksdot.gov/us-54-expansion-seward-county)

**PROJECT LOCATION:** U.S. 54 from the former Six Points intersection (U.S. 54/U.S. 83 junction) in Liberal northeast to Tucker Road

## AT-A-GLANCE

Cost Estimate	\$60 million
Distance	Roughly 3 miles
Scope	Investigate reconstruction and expansion of U.S. 54 from the former Six Points intersection in Liberal northeast to Tucker Road
Status	Discovery Phase

## PROJECT CONTACTS

**Ron Hall**  
Southwest District Engineer

## 🕒 PROJECT TIMELINE

July  
2023

### Discovery Phase

Early concepts for the U.S. 54 corridor and former Six Points intersection shared with the community for input

Nov.  
2023

### Public Involvement

Additional details for the top two community-preferred intersection options shared with the community for input

We are here

Jan.  
2024

### Complete Discovery

Selection of a preferred intersection option and completion of the Discovery Phase Report

2024 –  
2028

### Design & Right-of-Way\*

Design, right-of-way coordination and utility relocations

\*Pending approval for the IKE Construction Pipeline

2028 –  
2030

### Construction\*\*

\*\*This project is not yet funded for construction. Construction timeline would be provided once selected for the IKE Construction Pipeline.

Intersection of U.S. 83 and U.S. 54 (former Six Points intersection)

Project information and the opportunity to comment will be available on the project webpage at:

[ike.ksdot.gov/us-54-expansion-seward-county](http://ike.ksdot.gov/us-54-expansion-seward-county)

Comments will be collected through Nov. 30, 2023.

*IKE, The Eisenhower Legacy Transportation Program, is a roughly \$10 billion investment in the future of Kansas. This program and the transportation improvements it will deliver play a key role in our state's economic recovery, putting Kansans to work and improving quality of life.*
