

# 2024 IKE DEVELOPMENT PIPELINE ANNOUNCEMENT

Today's Development Pipeline Announcement is an outcome of KDOT's 2023 Local Consult outreach meetings. Local Consult is the public engagement process for the 10-year Eisenhower Legacy Transportation Program (IKE). Kansans who engage in the Local Consult process bring unique perspectives and ideas to the table as well as provide input on highway modernization and expansion projects that are important to local communities and the region. KDOT uses project scores and local feedback to select projects for the IKE Development Pipeline.

## LOCAL CONSULT PROCESS

## How does Local Consult work?

The Local Consult process begins with a list of potential projects – some recommended by communities, others by KDOT. Projects are evaluated based on:

- Crash History
- Current and Projected Traffic Congestion
- Economic Impact
- Engineering Need
- Other Factors

Projects are grouped based on KDOT District (region). Scores are developed for each project. A district project list is shared with participants at Local Consult events as reference for project prioritization discussion.

### 2023 Local Consult – Recap

- 1,400+** participants at in-person and virtual meetings
- 1,000+** pre-event survey responses
- 134** projects evaluated and shared
- \$8.9 Billion** value of projects evaluated and shared

## The Spring 2024 Development Pipeline Announcement includes

**17**

new projects

**138**

miles of highway improvements to be developed

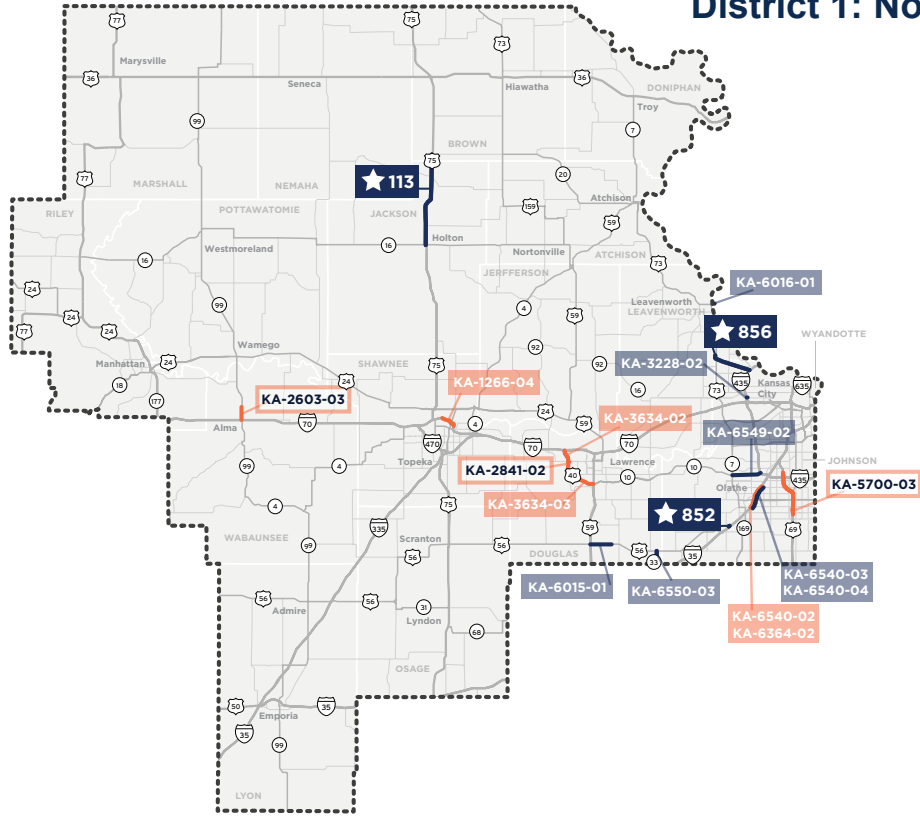

**\$932M**

in estimated construction costs

### New Projects in the Development Pipeline

District	Map ID	Project	Est. Const. Cost in \$M
1	113	US-75 in Jackson Co. Reconstruct to 4-lane expressway.	\$126
1	852	I-35/US-56 in Johnson Co. Interchange improvements.	\$25
1	856	K-5 in Leavenworth Co./Wyandotte Co. Reconstruction.	\$35
2	257	I-135/I-70 in Saline Co. Interchange improvements.	\$70
2	241p	US-56 in McPherson Co. Passing lanes.	\$20
2	232	K-4 in McPherson Co. Reconstruction.	\$8
2	258	K-14 in Ellsworth Co. Reconstruct, add shoulders.	\$29
3	339	K-27 in Wallace Co. Reconstruct, add shoulders.	\$35
3	366	K-23 in Sheridan Co./Gove Co. Reconstruct, add shoulders.	\$40
4	442p	US-169 in Montgomery Co. Passing lanes.	\$10
4	472	US-160 in Montgomery Co./Labette Co. Reconstruct, add shoulders.	\$50
4	491	US-160 in Montgomery Co. Reconstruct, add shoulders.	\$10
5	533	US-54 in Kingman Co. Reconstruct to 4-lane freeway.	\$173
5	719	K-254 in Sedgwick Co. New interchange, overpass and connector road.	\$50
5	728	US-54 in Butler Co. Reconstruct to 6-lane freeway.	\$200
5	554	US-50 in Harvey Co. Interchange improvements and bridge replacement.	\$30
6	651	K-156 in Hodgeman Co. Add shoulders.	\$21
