

U.S. 50 EXPANSION TO A FOUR-LANE EXPRESSWAY

FINNEY AND GRAY COUNTIES

KDOT is expanding four segments of U.S. 50 to a four-lane expressway with divided median to increase capacity, relieve congestion and enhance safety by limiting direct highway access points.

Once the four segments are complete, they will provide a much needed four-lane connection between Garden City and Dodge City. These projects are currently in the planning and design phase; they have not yet been selected for the IKE Construction Pipeline. Additional project details are available online: www.ksdotike.org/US50-expansion.

Nov. 2022

WESTERN GROUP

- 1** U.S. 50 from Aerodrome Road east to Finney/Gray county line
3.2 miles (KA-6023-01)
- 2** U.S. 50 from Finney/Gray county line east to CR 7 in Gray County
