

WHAT WE HEARD FROM YOU:
What is Working Well?

**Access to
Properties**

- It is easy to access residential and commercial properties from U.S. 69.

**Traffic Flow
on North End**

- There is smooth traffic flow in the 4-lane segment.

**Road Surface
Drainage**

- Water drains quickly from the road surface.
- No overtopping occurs.
- Standing water on the roadway is very minimal.
