

U.S. 69 Highway Study - 2024 Phase 1

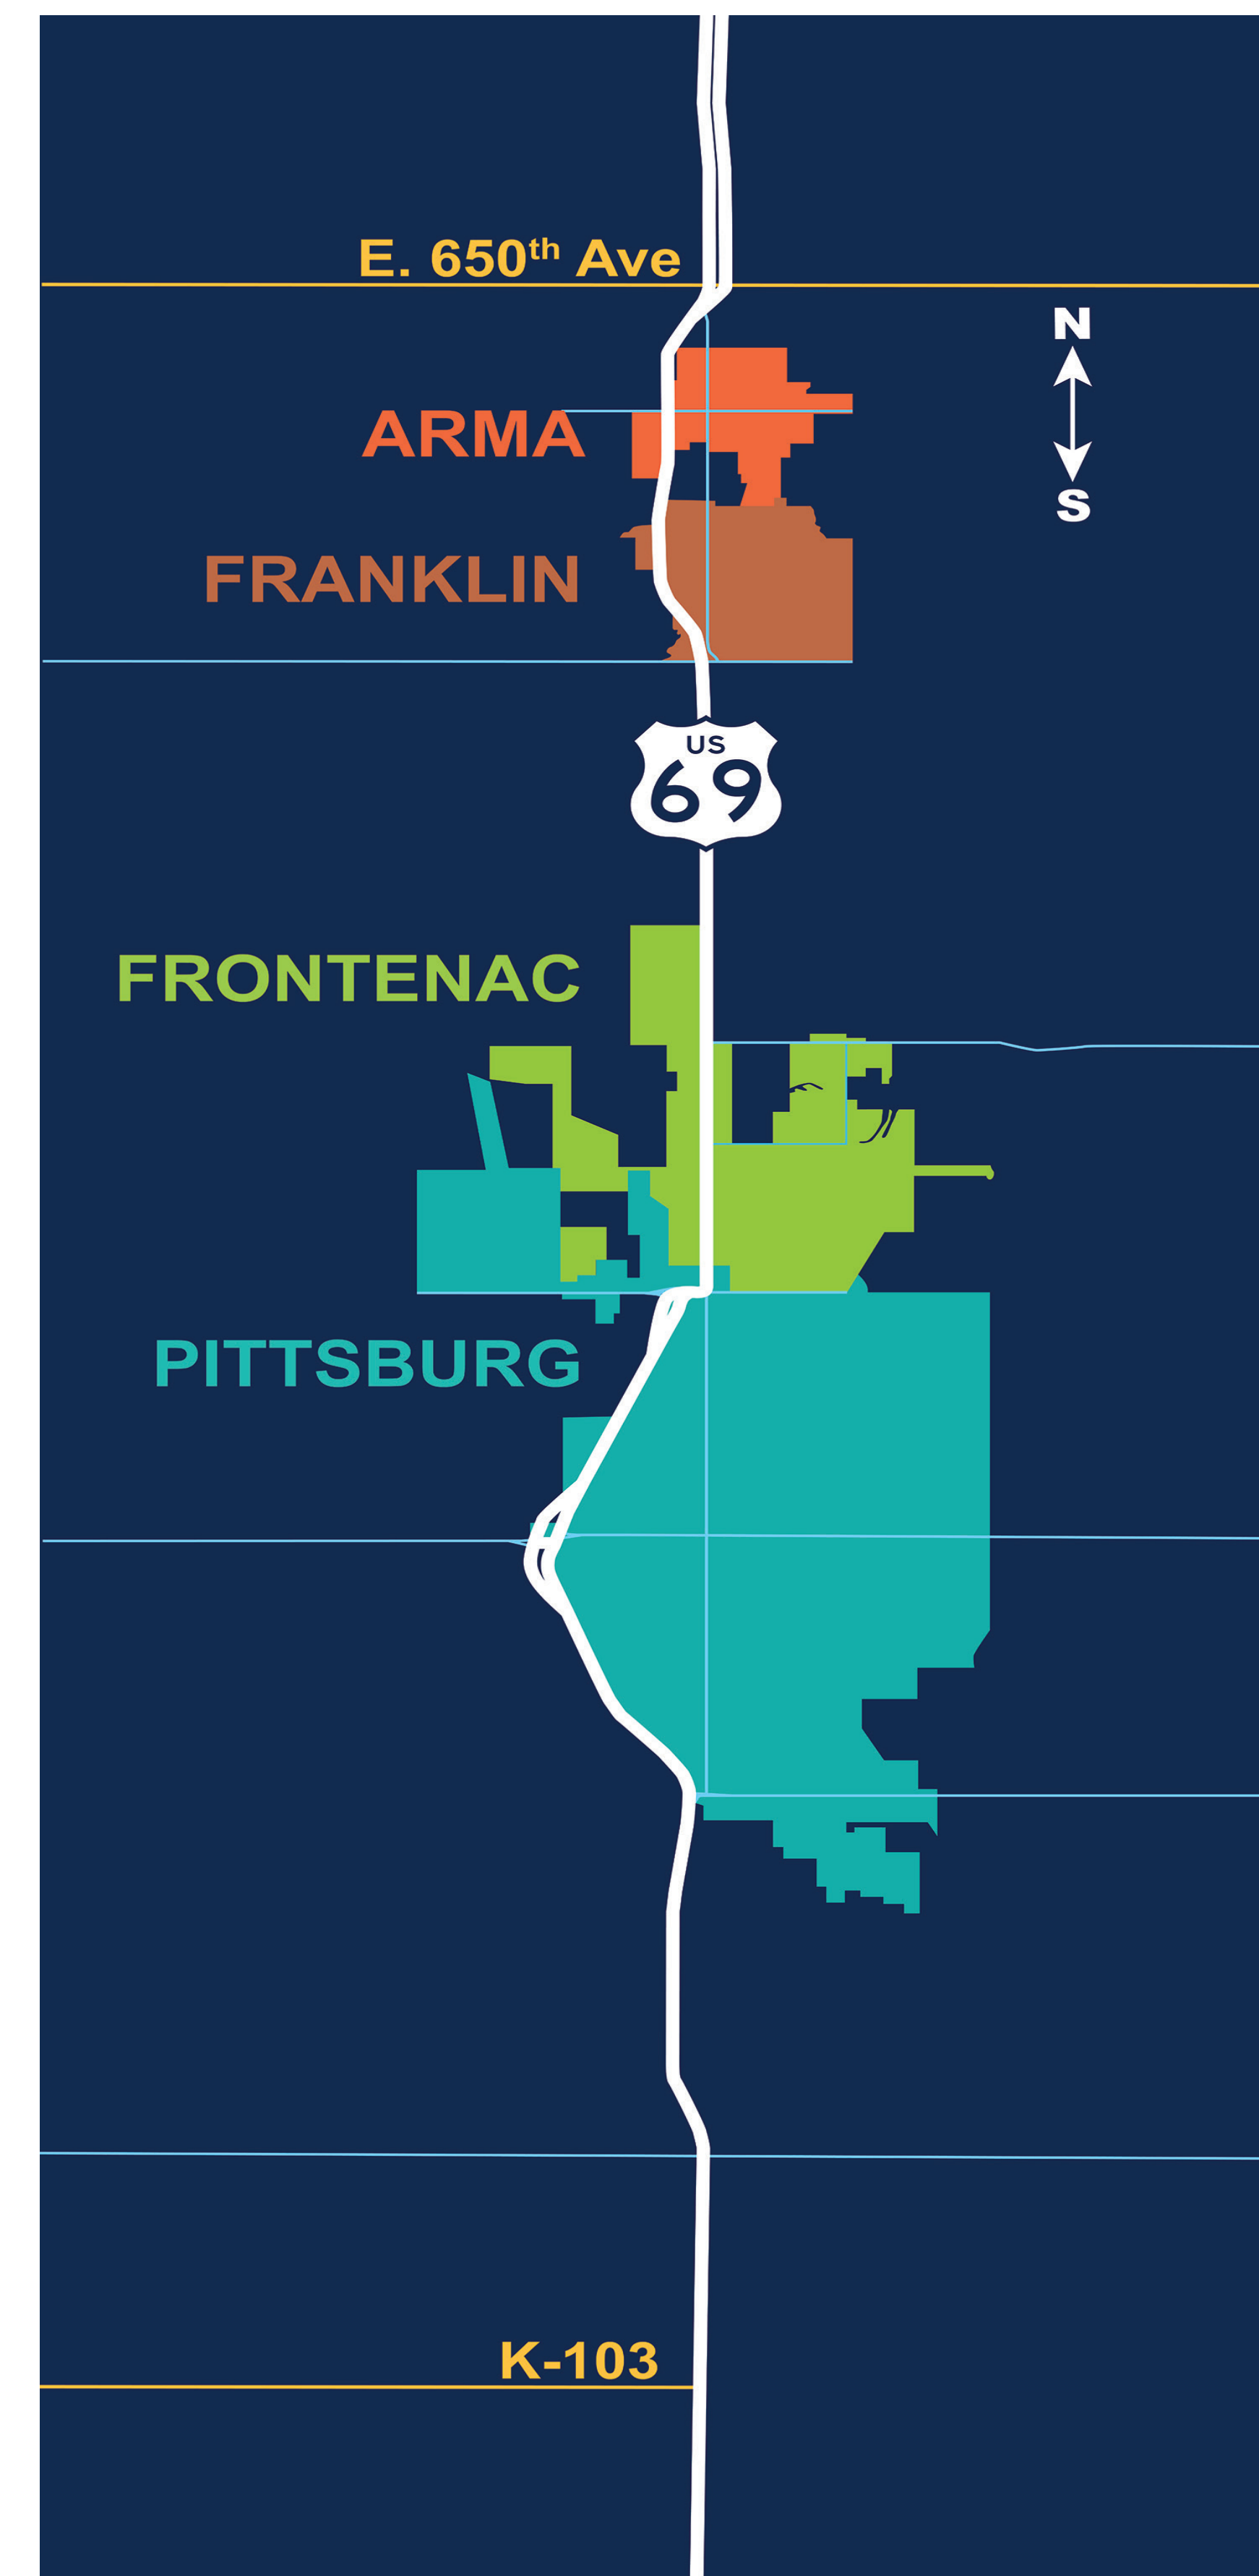

**Community
Engagement**

Purpose:

- Phase 1: create an in-depth understanding of the influence the U.S. 69 highway has on the community.
- Important to focus on the impacts highways have on communities they run through and their regional and local users.

Corridor Map:

- Study Limits: E. 650th Avenue north of Arma to intersection of U.S. 69 and K-103.
- Approximately 18 miles long
- Communities included: Arma, Franklin, Frontenac, Pittsburg, and portions of Crawford County.
