

Overall - Question #	Document	Request for Clarification	Response Published Date	KDOT Response
1	RFP	You specify three key personnel positions (project manager, cost estimator, and scheduler). For a job of this size, we would expect more than one cost estimator would be needed to meet the scope and schedule. Can we list more than one cost estimator?	10/13/2022	Only one individual for each Key Personnel role shall be submitted. Only Key Personnel are considered in the Project Staff Qualifications and Experience evaluation factor. Proposers may address and the Department may consider additional cost estimators and other supporting staff in the Project Approach section of the Proposal.
2	RFP	Do the Key Personnel Resumes count toward the 14 page limit?	10/13/2022	Yes. Resumes are counted toward the 14 page limit.
3	RFP	When should Special Attachments No. 8 ("Tax Clearance Certificate") and No. 10 ("Policy Regarding Sexual Harassment") be provided?	10/13/2022	Both Special Attachment No. 8 and No. 10 must be executed by the Proposer and provided with the Proposal response. Special Attachment No. 8 must be current at the time of contract execution and must be resubmitted at the time of contract execution if the Certificate has expired before contract execution. Special Attachment No. 10 as submitted with the Proposal will be incorporated into the ICE contract. Respecting subconsultants, if applicable, these Attachments must be provided at the time of contract execution.
