INDEPENDENT COST ESTIMATING SERVICES
KA-6796-02 – De Soto Local Roadway Improvements Project

RFC No.	Date	Section	Issue Topic	RFP Question	KDOT Response
1	12/30/2022	Qualifications	Key Personnel	Three key personnel positions are specified (project manager, cost estimator, and scheduler). Can one person fulfill more than one key position, or are three separate individuals required?	The RFP does not restrict one person from filling more than one key personnel position. However, only the PM can fulfill two key personnel roles. Additionally, as resumes and references are required for each key personnel position, a PM performing two positions shall have a resume and three references specific to the PM position and a resume and three references specific to the other key personnel position.
